Address Signs

As a service to the County Addressing Department, and to better serve the public, the Washington County Road and Bridge Department makes and sells address signs.

All parcels of land should have a physical address. If you have an entrance it will make it much easier for the Rural Addressing Coordinator of Washington County to address your parcel. If you do not have a physical address, please contact the Rural Addressing Coordinator at (979)277-6281 or visit the County Addressing website.

If you do have a physical address and would like to obtain a reflective 6" X 12" aluminum sign, please stop by our office Monday thru Friday 7am to 4pm and you may purchase one, two or as many as you would like. We make these signs while you wait. The sign is a reflective green background with white reflective numbers. The cost is \$5.00 each.

Everyone needs an address
