Good Morning,

I have two questions regarding the delivery location and material type for this bid.

First Question:

The bid states the delivery address is 6655 Seawillow Rd, Lockhart, 78644, however, that address comes up at the below location on google maps. Is this the correct delivery location? If not, can you provide coordinates to the exact delivery location?

Second Question:

In regards to the Grade 3 and 4 Cover Stone, which type of material is Caldwell County requesting (Type A, B, C, etc.)?

<b>Aggregate Types</b>	
<b>Type</b>	<b>Material</b>
A	Gravel, crushed slag, crushed stone, or limestone rock asphalt (LRA)
B	Crushed gravel, crushed slag, crushed stone, or LRA
C	Gravel, crushed slag, or crushed stone
D	Crushed gravel, crushed slag, or crushed stone
E	Aggregate as shown on the plans
L	Lightweight Aggregate
PA	Precoated gravel, crushed slag, crushed stone, or LRA
PB	Precoated crushed gravel, crushed slag, crushed stone, or LRA
PC	Precoated gravel, crushed slag, or crushed stone
PD	Precoated crushed gravel, crushed slag, crushed stone
PE	Precoated aggregate as shown on the plans
PL	Precoated lightweight aggregate

Thank You,

**Eduardo E. Aldape**
