LIABILITY WAIVER FOR DITCH WASTE

I, _____, am requesting to have the County Road and Bridge Department deliver **DITCH WASTE** on my property located at:

I hereby grant the Washington County Road and Bridge Department, its employees and or representatives, the permission to access my property, without recourse, to deliver the Ditch Waste Material. I assume the responsibility for any and all damages that may be incurred by Washington County while performing this service, and further agree to hold harmless Washington County, and its employees and or representatives.

I further understand and agree to the following:

- Washington County will NOT spread the Ditch Waste hauled to my property;
- Washington County will deliver the material to an agreeable site, located on privately owned property within 200 feet of an entrance to a county/state road;
- The material will be delivered as is;
- There will be no fee associated with this delivery;
- The Ditch Waste material has no monetary value;
- The Ditch Waste material may contain a variety of unknown particles such as dirt, glass, debris, vegetation, gravel and unknown materials;
- Ditch Waste is to be delivered to the nearest available property for the suitability and convenience of Washington County;
- As the Recipient, I have the authority to sign and accept responsibility.
