Re: MHMR Authority of Brazos Valley Board of Trustees Appointment

Dear Judge Durrenberger & Commissioners:

Please be advised that Dorothy Morgan's term as a Board of Trustee member of Mental Health Mental Retardation Authority of Brazos Valley (MHMRABV) expires on February 28, 2026. Dorothy's involvement locally and at the State level has been invaluable to the success at the Center.

Pursuant to the guidelines established by Senate Bill 112 (SB112), MHMRABV requests your reappointment of Judge Morgan to fill the upcoming term, March 1, 2026 through February 29, 2028. For your convenience, a summary of applicable sections of Senate Bill 112 as follows:

1. Board of Trustees established by an organizational combination of local agencies (i.e. MHMRABV's seven-county commissioners' courts) either:
 - shall consist of 5 to 9 members selected from the membership of the commissioners' courts; or
 - may consist of 5 to 9 members jointly appointed by the commissioners' court from among the qualified voters of the region to be served.
2. In appointing Trustees, the commissioners' courts shall prescribe the procedures related to the appointment of a Trustee position which shall:
 - establish criteria for becoming a Trustee (including the "non-eligibility" for appointment prohibitions contained in Sec. 3.02B

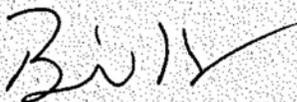

- (a) re conflicts of interest, “pre-assumption of office” training requirements established by) Sec. 3.02A (b);
- establish the application procedure and appointment to a position on the Board, including posting notice of filling of such position;
- attempt to reflect the ethnic and geographic diversity of the MHMRABV’s seven-county local service area;
- assure inclusion of the Board of one or more persons who are consumers or family members of consumers of the type of services provided by MHMRABV;
- state the grounds for and procedure for removing a Trustee including those grounds stated in Sec. 3.02(B) (g)

Dorothy Morgan has been a very effective member of our cohesive team and her reappointment for the ensuing term would provide needed continuity for the MHMR Authority of Brazos Valley. Every Community Mental Health Mental Retardation Center in the State of Texas continually faces tremendous challenges year after year. The current challenges include 1) under-funded system, 2) ever-increasing need for services, 3) Local Network Development Planning, and 4) Managed Care just to name a few. In order to continue meeting the challenges of the next two years, it is necessary to have a dedicated and creative Board of Trustees, which in my opinion currently exists. With Dorothy Morgan’s agreement, and your approval, MHMR Authority of Brazos Valley would welcome her continued assistance and guidance for another two-year term, or your consideration for a new appointment.

Please return a copy of the agenda and minutes in order to document the action of the commissioners’ court with a letter stating that Dorothy Morgan has been re-appointed.

Thank you for your continued support of MHMRABV. Please do not hesitate to contact me at (979)361-9840 if you need any further information. Your prompt attention and cooperation in this matter is greatly appreciated.

Respectfully Submitted,

Bill Kelly
Executive Director

Budgetary and Accounting Basis Explanation

During FY 2025, Washington County implemented a change in accounting basis for audit purposes from cash basis to modified accrual, as required for preparation of the Annual Comprehensive Financial Report (ACFR). While the County's budget continues to be adopted and monitored on a cash basis, modified accrual accounting requires expenditures to be recorded in the period in which the related goods or services are received, rather than when payment is issued.

As a result of this first-year transition, certain expenditures paid in January 2026 were required to be recorded in December 2025 because the services were incurred prior to year-end. This one-time timing adjustment caused total expenditures in the General Fund to appear over budget for the year. These amounts do not represent additional spending, departmental overspending, or budgetary noncompliance. This timing difference will be reconciled in the ACFR and is not expected to recur in future years.

Revenue Collection Timing – Property Taxes

Property tax collections for FY 2025 are lower than historical norms due to the delayed mailing of 2025 property tax bills. As announced by the Washington County Tax Appraisal District on October 17, 2025, tax statements were mailed after the November 4th election rather than in October, due to multiple property tax-related items on the ballot, including proposed changes to homestead, over-65, and disabled exemptions, as well as the Brenham ISD tax rate.

The delay was necessary to avoid the potential cost and administrative burden of issuing refunds or corrected bills should ballot measures not pass, particularly for payments remitted through mortgage escrow accounts. As a result, a portion of property tax collections normally received before year-end were shifted into the subsequent fiscal period. This delay affected the timing of revenue recognition but did not reduce the total levy or the County's ability to collect the taxes owed.

Voter Registration and Elections Report

December 2025

Voter Registration:

1. Processed voter applications, death abstracts, cancellations, and documents received over the counter and by mail.
2. Processed Felony Abstracts, juror exemptions, and non-resident jury summons received from the District Clerk's office.
3. Processed Abstracts of Death Certificates and Abstracts for Application for Probate Action received from the County Clerk's office.
4. Processed the TEAM (Texas Elections Administration Management) dashboard.
5. Printed and mailed letters and voter certificates for:
 - DPS applicants
 - Possible Duplicate Voters
 - Possible Felon Records
 - Possible Deceased Records
 - Texas Online Applications
 - Process applications to receive ballot-by-mail requests
 - Processed Voter Cancellations
6. The mass mail-out of Voter Registration Certificates is still on hold until further notice from the Secretary of State. However, the Secretary issued a press release regarding the delay in mailing out voter registration renewal certificates. Due to delays in processing the voter certificates, the vendor is unable to issue an invoice for its services. However, this may require an amendment to the 2025 budget if the invoice is not received until 2026.
7. Voter-related documents and correspondence received are scanned into the DMS3 Vista system.
 - Voter reports and the statistics are unavailable on the TEAM and have been since September 2025. The "Registration End Date is inoperable, and ordering a summary of the number of voters in each precinct is not an option at this time.
 - Monthly voter statistics are not available on the TEAM VR system.

 - a. Pre-Election Questionnaire
 - b. Completed the Precinct List Information
 - c. Completed the Contests and Candidates Forms
 - d. Verified the Ballot Assignment Chart information after viewing to make sure the Candidates and the precinct designations are correct.
 - e. Completed and submitted the Ballot Layout Signoff, once all the forms listed were completed, with the exception of the Final Data Signoff
 - f. Completed and provided a Pronunciation Guide
 - g. Completed the Programming Form
 - h. Completed and submitted the Programming Form
 - i. Completed and submitted the Printing Information Form
 - j. Completed and submitted the ExpressPoll form. This form is used to verify the poll book programming.
 - k. Verified and submitted my approval of the Final Data Signoff for the Pollbook. I received the final data upload for the pollbooks on the SFT site on January 14, 2026. I uploaded this file to a thumb drive, then uploaded the information into the poll book. I then verified that all data entered is correct and that all poll book functions are working properly.
 - l. Ordered more ExpressVote Activation Cards for the ExpressVote, which is a ballot marking device.
 - m. Ordered additional media to be used for the programming of all equipment and testing.
 - n. Ballot proofs were received from the vendor, but had to be resubmitted several times due to the order of the State Senator, State Representative, and the 15th Court of Appeals races had to be switched. This involved all counties within the above-named races.
 - o. The State did not issue a certification of ballots until the month of January, 2026.
3. My main goal is to be prepared and have a successful March 3, 2026, Primary Election.
4. This concludes my December 2025 monthly Elections report.
