Discussion and possible action on the approval of a Proclamation proclaiming April 2026 as Child Abuse Awareness Month in Washington County, Texas. (Judge Durrenberger)

PROCLAMATION

In Recognition of Child Abuse Awareness and Prevention Month, April 2026

Whereas, every child deserves to grow up in a safe, loving permanent home where his or her physical, emotional and educational needs are fully met thereby giving the child an opportunity to realize his or her full potential;

Whereas, preventing child abuse and neglect is a community epidemic that depends upon the education and involvement of citizens from every sector of the community;

Whereas, in 2025, 51,979 children in Texas, including 90 in Washington County were confirmed as victims of abuse or neglect;

Whereas, 28,190 or 54 percent of those children in Texas were under the age of six years old;

Whereas, in 2025, there were 124 child abuse-related fatalities in Texas; when even one child's death is too many;

Whereas, in 2025, 25,478 children in Texas, including 29 in Washington County, were in the care and custody of the Texas Department of Family and Protective Services because of evidence of abuse and neglect;

Whereas, a child's journey in the child protection system can be traumatic and overwhelming as that child has been removed from his or her home and placed with strangers often in a different county away from his or her school, friends, place of worship and the only life they have ever known;

Whereas, the impact of abuse and neglect has long-term personal, economic and social costs; therefore, hurting Texas' future;

Whereas, Court Appointed Special Advocates® – CASA Advocates – are assigned by the court to speak up for a child's best interest and be a voice for that child in the courts;

Whereas every child in care deserves a CASA Advocate, but half the children in care do not have a CASA Advocate;

Whereas, CASA for Kids of South Central Texas, Child Protective Services, Washington County Child Welfare Board, Child Advocacy Centers, Foster Parents, Teachers and others work to ensure that children in our community have the opportunity to grow up in safe, loving permanent homes;

BE IT RESOLVED, The Washington County Commissioners Court does hereby proclaim April as Child Abuse Prevention and Awareness Month in Washington County and commend all organizations, including CASA for Kids of South Central Texas, CASA

Volunteer Advocates, Child Protective Services staff and Washington County Child Welfare Board for their commitment and dedication to preventing abuse and mitigating the devastating effect of abuse and neglect by serving children who have been victimized.

INTERLOCAL COOPERATION CONTRACT

I. CONTRACTING PARTIES AND AUTHORITY

The Department of Public Safety (DPS) and Washington County (County) are contracting under the authority of Texas Government Code Chapter 791 (the Interlocal Cooperation Act).

Washington County certifies that it has the authority to contract for the services by authority granted in Chapter 262, Local Government Code (County Purchasing Act), and Texas Code of Criminal Procedure art. 2.17.

DPS certifies that it has authority to perform the services contracted for by authority granted in Texas Government Code Chapter 411.

II. BACKGROUND AND PURPOSE

Washington County, along with Lee, Austin, and Fayette Counties have a need for assistance in testing of Seized Drug Analysis of evidence and requests that DPS provide Seized Drug analysis of evidence submitted by Washington, Lee, Austin, and Fayette Counties.

DPS has the ability to assist in this regard and agrees to provide this Seized Drug analysis of evidence submitted by Washington, Lee, Austin, and Fayette Counties.

III. STATEMENT OF SERVICES TO BE PERFORMED

DPS will perform the following services.

- A. The DPS Crime Laboratory will analyze evidence submitted by Washington, Lee, Austin, and Fayette Counties requesting Seized Drug analysis.
- B. At its discretion, DPS will assign the services of the full time equivalent (FTE) to perform analysis under this Contract. Each FTE will be a DPS employee.
- C. DPS will attempt to provide a thirty-calendar-day or less turn-around time, from the date of submission to the DPS Laboratory, for [seized drug cases with two items or less tested. Case submissions with more than two items tested could exceed thirty calendar days for analysis.] Case submissions with additional requests for testing outside the scope of the contract (like but not limited to friction ridge development on seized drugs cases) will delay the completion of the case. Cases will be expedited but the total analysis time will exceed 30 days.
- D. The assigned DPS FTE will work on Washington, Lee, Austin, and Fayette Counties cases awaiting Seized Drugs analysis up until the monthly contract amounts are tested before examining evidence from other agencies as long as this Contract is in place.

- E. At its discretion, DPS will assign the FTE other work after the monthly contract amounts are tested under this Contract, within the parameters of DPS Crime Laboratory policies and procedures. Case submissions by Washington, Lee, Austin, and Fayette Counties will not exceed 70 cases per month (seized drug) or 182 items tested, whichever is reached first under this Contract.
- F. If under this contract, the Washington, Lee, Austin, and Fayette Counties does not submit the monthly contract amounts, DPS will assign the FTE other backlogged work.
- G. Evidence submitted to DPS prior to this Contract's execution date will be processed in the same manner as case submissions from other agencies not having an Interlocal Cooperation Contract with DPS. In other words, the turn-around time defined in this Contract applies only to evidence submitted after the Contract's execution date.

Washington County understands or will perform the following.

- A. Washington County understands that DPS is solely responsible for the employment and management of the DPS personnel. Washington County understands that it will have no input into DPS's decisions regarding management or work of DPS personnel.
- B. Washington County will continue to follow all laboratory policies and procedures outlined in DPS's Laboratory Customer's Handbook, unless otherwise noted.
 - a. For seized drugs analysis contracts – misdemeanor evidence analysis is permitted at discretion of Washington County but the testing will count toward the 70 cases and 182 items tested per month. No additional testing (such as friction ridge analysis) will be included on misdemeanor cases submitted.
 - b. For seized drugs analysis contracts - if all items submitted require testing, this must be communicated on the submission form accompanying the evidence submission.
- C. Washington County will not be responsible for paying any testimony fees associated with testimony given in any judicial proceeding in connection with services provided by DPS pursuant to the provisions of this Contract. If testimony is required by former or retired DPS employees, DPS is not responsible for the associated travel costs; the county may be responsible for per diem including travel expenses. Testimony fees are not included in this expectation.
- D. Cases submitted to DPS from Washington, Lee, Austin, and Fayette Counties during the duration of this Contract will not be outsourced to a lab outside of the DPS Laboratory System for analysis.
- E. Washington County understands that DPS cannot compel testimony of former or retired employees who provided work under the contract.
- F. Washington County understands that if testimony is needed for a case previously worked by a former or retired employee, it will work with the appropriate entity to:

- a. Evaluate whether a peer review affidavit by a current employee can serve in place of testimony
 - b. Encourage the use of video testimony as authorized by statute
 - c. Submit the evidence for re-analysis only using the current Expedite Analysis / Re-analysis Request form after all other options have been exhausted. Cases requiring re-analysis will not count toward the monthly number of cases submitted or items tested. Additionally, the evidence may be worked by any qualified DPS employee, not necessary the individual hired under this contract.
- G. Washington County understands DPS provides standard litigation packets upon request. If discovery material beyond a litigation packet is required for every case completed under this Contract, additional personnel resources must be included.

IV. CONTRACT AMOUNT AND BASIS FOR CALCULATING COSTS

The total amount of this contract will not exceed \$471,134.57. This amount is intended to cover the actual cost of having [one] DPS Forensic Scientist available to Washington, Lee, Austin, and Fayette Counties during its business hours and it includes salary, equipment, and operational costs (see Exhibit A). Washington County will remit to DPS by check all costs for performing the services as identified. To accomplish the stated goals of the agreement, DPS may invoice for more than the annual amount stated in Exhibit A for any given year. The cumulative total of those invoices will not exceed the total of the contract as stated in Section IV.

The Contract allows for analysis of up to 70 cases per month (seized drug) or 182 items, whichever is reached first under this Contract. If more than 70 cases per month (seized drug) or 182 items are submitted, they will be processed in the same manner as case submissions from other agencies, not having an Interlocal Cooperation Contract with DPS.
